## Training Classes

## TAFAs Initiative in 2018

TAFAs has started relationship with Rajabhat Suan Sunantha University (RSSU) since 2017, to collaborate with the University in developing young graduates to be well equipped with knowledge and skills necessary to work within Aircargo industry.

On July 19, 2018, TAFAs Chairman has signed the Memorandum of Understanding (MOU) to co-develop short term course concerning Basic Air Cargo and other relevant subjects to prepare the students for business sectors in the real world.

Also, TAFAs is preparing some online courses to be offered to workforce and interested person who would like to build a career in Aircargo and logistics services. TAFAs committee is planning on curriculum and subjects to be offered. Project is expected to start earlier next year.

## TAFAs has plan to become TPQI Certify Body (CB) in 2019

In the 2019 our goal to become a Certify Body (CB) of Thai Professional Qualification Institute (TPQI) remains our gateway to elevate quality and potential of the industry workforce to match with global standard and to help grow the industry.

Now has reached final stage of the process. We would be certifying and elevating our workforce competency so that our people's work would be well recognized on a global standard.
