

Country Training Report for year July 2019 – June 2021

For presentation to delegates of the
47th FAPAA ECM/AGM, held virtually 29 June 2021

Freight Forwarding Courses

CBAFF, through its valued partners, delivered the following courses

| | Description |
|----------------------------------|--|
| RACA Compliance training | 2-hour on-line course with assessment |
| IATA Aircraft Load and Restraint | 1 day course with assessment |
| IATA Dangerous Goods | 5-day Initial course with examination or 3-day recurrent course with examination |
| Freight Forwarding introduction | 1-day course |

Customs focused courses

With our valued partners IVS, CBAFF delivered the following:

UUI (unique user identification) – entry level course comprising 4 blocks of learning with assessments and concludes with an examination.

Introduction to Customs Broking and Customs Tariff – one-day awareness course

CBAFF is committed to professionalism for the industry and works with Industry Training organisations that have freight forwarding / customs broking and logistics training in its remit, ensuring an approved standard of training is offered in New Zealand.

We support the NZ Maritime School in its delivery of Level 4 – 7 courses and participate in industry consultation to ensure that the courses continue to meet industry needs.

- Certificate in Logistics
- Diploma in Shipping and Freight
- Diploma in Supply Chain Management
- Certificate in Commercial Logistics
- Graduate Certificate in Supply Chain Management
