---

DORIS P. TORRES  
CHAIRPERSON

## Training & Education Objectives

**Encourage and develop new entrants to the Transport and Logistics Industry**

**Update and enhance the knowledge and skills of human resources of the Transport and Logistics Industry**

**Make PMTLAI training and education program accessible and affordable to its members**

**Sharing industry updates and best practices through Fora, Conferences and Seminar/Workshops**

Encourage  
and develop  
new entrants  
to the  
Transport  
and Logistics  
Industry

- Continue collaboration with PATTs in providing Core Curriculum program of PMTLAI to their graduating college students and provide a venue for On-the-Job Training through PMTLAI's member companies
- Develop collaboration with other schools using the PATTs MOU as model to create opportunities as well with other students/schools.

- Developing materials for IATA CBTA Program
- Preparing for PMTLAI's accreditation as TESDA's Training Institution to run the promulgated training regulations for Logistics.
- Engaging current pool of trainers in ToT training programs within and outside the country (e. g. UNESCAP Training, AFFA Institute Training, TESDA Training, etc.)
- Conduct continuing professional development program.

Update and enhance the knowledge and skills of human resources of the Transport and Logistics Industry

Provide training & education program accessible and affordable to its members.

### Review

Review the current training costs and fees assessed to the members for the core training programs and make it truly beneficial to be a member of PMTLAI.

### Provide

Provide soft-skills training (e. .g. English Proficiency, Safety Driving Skills, etc.) for a minimal fee or free of charge to members.

### Study

Study the possibility of offering some training program on-line for those participants that cannot leave their work during office hours.
