PHILIPPINES TRAINING & EDUCATION REPORT

Training & Education Objectives

Encourage and develop new entrants to the Transport and Logistics Industry

Update and enhance the knowledge and skills of human resources of the Transport and Logistics Industry

Make PMTLAI training and education program accessible and affordable to its members

Sharing industry updates and best practices through Fora, Conferences and Seminar/Workshops

Encourage
and develop
new entrants
to the
Transport
and Logistics
Industry

- Continue collaboration with PATTs in providing Core Curriculum Programs of PMTLAI to their graduating college students and provide a venue for On-the-Job Training through PMTLAI's member companies
- Develop collaboration with other schools using the PATTs MOU as model to create opportunities as well with other students/schools.

- Continuous improvement and development of its IATA CBTA Training Materials
- Pursue Certification of its current pool of trainers' competency in preparation to PMTLAI's accreditation as TESDA's Training Institution to run the promulgated training regulations for Logistics.
- Engaging current pool of trainers in ToT training programs within and outside the country (e. g. UNESCAP Training, AFFA Logistics Institute, TESDA Training, etc.)

Update and enhance the knowledge and skills of human resources of the Transport and Logistics Industry

Provide training & education programs accessible and affordable to its members

Review

Review the current training costs and fees assessed to the members for the core training programs and make it truly beneficial to be a member of PMTLAI.

Provide

Provide soft-skills training (e.g. English Proficiency, Safety Driving Skills, etc.) for a minimal fee or free of charge to members.

Study

Study the possibility of offering some training program on-line for those participants that cannot leave their work during office hours.
